

Drawing Copyright 2024 - The Family Woodworker

Figure Size: 8" X 15"

For Smaller Projects: This drawing fits on a single 8.5 X 11 inch or an A4 piece of paper. The PDF can be size adjusted to fit your needs. Be careful using any tool. The small size of the pieces may contribute to injury if they cannot be cut safely. You may combine smaller pieces in the drawing to make larger cuts depending on the overall project size you've chosen.
